

ARIEL = COMPRESSION

Compression is our only business.

Our single focus on compressors has allowed us to set the world standard with nearly 20,000 Ariel compressors in service around the globe. Ariel provides the widest range of compressor frames, the best warranty in the business and super-fast replacement parts—routinely shipped within 24 hours.

For gas gathering, process gas, pipeline, gas storage, CNG, and every other gas compression application, *Ariel equals compression.*
